This confirmation is valid until: 11-11-2027

Honselersdijk, 23-09-2025

This confirmation is property of the certification body and must be returned on request. To extend the valid duration, a new inspection has to be submitted, accomplished and accepted beforehand the termination of the affirmation.

Decisive for the eligibility of delivery for approved locations is exclusively the information given in the QS database. This is because deviations due to the contract date, blocking of companies or something similar could appear.

The audit is based on the valid version of the scheme manual by the time of the audit.
